Re: Permit # MKOI-9P2MT4  
St. Bernadette's School  
5890 South Abbott Road  
Orchard Park, NY 14127

Dear Facility Operator:

Effective November 23, 2021, under current order of the Erie County Commissioner of Health related to COVID-19, you have several obligations regarding mask/face covering usage by staff, patrons and the general public when they are in your facility:

- 1) **You must** require any person (staff, patron, guest or vendor) over the age of 2 entering your facility to wear a face covering, if able to medically tolerate, and to deny entry to any person who fails to comply.
- 2) **You must** require everyone over the age of 2 to wear a mask/face covering at all times when in your facility. Masks may only be removed when staff, guests or patrons are seated while eating and drinking, when removal of the mask is necessary for the service being performed (i.e. shaving or grooming), or as otherwise allowed by the current orders of the Erie County Commissioner of Health or associated guidance.
- 3) **You must** require anyone who fails to comply with appropriate mask/face covering usage to leave your premises.

**Stay current on information.** All operators are encouraged to pay attention to Erie County, NYS and CDC websites

- a. Erie County will publish guidance at: [www.erie.gov/covid19](http://www.erie.gov/covid19)
- b. NY Forward: <https://forward.ny.gov/>
- c. CDC COVID-19 information for businesses: <https://www.cdc.gov/coronavirus/2019-ncov/community/workplaces-businesses/index.html>

Please be advised that businesses will be monitored by Erie County Department of Health officials for compliance with the order of the Erie County Commissioner of Health related to COVID-19. Repetitive and wilful violations of Erie County Emergency Orders/Orders of the Erie County Commissioner of Health and associated guidance can result in monetary penalties, suspension or revocation of Erie County Health Permits to operate, and/or closure of the facility by Order of the Erie County Commissioner of Health.

Thank you for your cooperation as we work to reduce the spread of COVID-19 in our community.
