

St. Bernadette Church Organizations

Whether you are a new or long-term parishioner, there are a gamut of organizations and groups within the parish which provide opportunities for:

- ❖ spiritual renewal,
- ❖ service,
- ❖ support and community.

Human social interaction is essential, especially during this emerging post pandemic time. After reviewing a *sample* of our organizations, please consider filling out this brief form and either dropping it off at the Church office or emailing it to sistercolleen@stbopny.org. This is not a commitment but rather a statement of desire to learn more about your parish and possibly to get involved. Note, specific descriptions and contact resources may be found on our website: <http://www.saintbopny.org> under 'Ministries'.
